This isn't just another cat care book! It's a virtual owner's manual packed with little-known and entertaining facts presented by two acclaimed experts - all in answer to more than 200 unique questions about the fabulous feline. Broken down into categories, including 'Behaviour', 'Bodies' and 'Emotions,' it covers everything that cat lovers need to know: Why do cats purr? Do they get embarrassed? Are all white cats deaf? Can a litter have more than one father? Do cats have favourite colours of food? And, finally, there's an answer to the pressing query that all feline fans have asked for years: Why do cats seek out the one person in the room who doesn't like them? Although the tone is light-hearted, the information is valuable...and absolutely scientifically accurate.
