This story as happy Puppy wags his tail and enjoys living in his miniature dog house. The " Carry Along Pets " miniature board books feature charming and friendly little animals on their front covers and a brief story with bright, full-page illustrations of each of their heavy-gauge board pages. Every book comes in its own distinctive carrying case, constructed of sturdy cardboard, and shaped and illustrated like the title animal as little house. The carrying case has a handle at its top so toddlers can put their " Carry Along Pets " book inside and tote it around with them wherever they go. The carrying case opens at its top, so it is easy for little boys and girls to take the book out and enjoy looking at its friendly animal pictures.
