isbn:9780764141362

This new title gives fourth graders in New Jersey practice and review in all topics covered on the statewide New Jersey Math test. Separate chapters instruct on: Number sense, including addition, subtraction, multiplication, and division; Measurement, including customary and metric units, temperature, and time; and

Geometry, including two- and three-dimensional shapes, area, perimeter, and volume. Concluding chapters cover Patterns in Algebra, Data Analysis, Probability, and Discrete Mathematics. The book also features word problems and open-ended questions throughout, a diagnostic test, and two full-length practice tests with answers and explanations, strategies for test-taking success, and more.
