This updated manual prepares students in Florida high schools to pass the required state-administered test in math. It presents a diagnostic test and two full-length practice tests modeled on the most recent FCAT math test. All questions are answered

and explained. The author also presents an extensive math review that covers current Sunshine State Standards. They include: Real and Complex Number Systems, Relations and Functions, Linear Equations and Inequalities, Polynomials, Rational Expressions and Equations, Radical Expressions and Equations, Mathematical Reasoning and Problem Solving, and others.
