Long ago, Greek writers created a list of the seven wonders of the world. That list included incredible monuments and other marvelous structures located in Greece and its surrounding countries. But ancient Greece was filled with wondrous things - too many for just one list. Greece is home to one of the world's oldest civilizations. The

ancient Greeks loved art, architecture, theatre, politics, and sports. They created an amazing city filled with temples, palaces, homes, markets, and government buildings. They built an ancient medical center and founded the first Olympic games. What other ancient treasures does Greece hold? Some are found among the mountains of mainland Greece. Others are found on islands scattered across the blue Aegean Sea. You're about to begin your search for the seven wonders of Ancient Greece
