Embark on a rollicking tale of adventure and suspense ("Library Journal") through 1920s Morocco in the acclaimed series, now in paperback. Joining her mother for a holiday in the ancient port city of Tangier, American adventuress Jade del Cameron expects their trip will be far less dangerous than her safaris in East Africa. But soon after their introduction to a group of European tourists, Jade del Cameron goes missing, a victim of an apparent kidnapping. Shockingly, the French authorities seek to arrest Jade for the murder of a man whose body she discovered in a series of ancient tunnels. Now, Jade must call upon her friends to help find her mother and expose the true villains, who have every intention of bringing about her own destruction.
