The Read Along Stories series is composed of beautifully retold classic tales with audio CD visible through a die-cut on the front cover. Word-for-word narration helps develop vocabulary and encourages independent reading. Series is perfect quiet times, and designed for mobility-a great activity for plane rides or in the car.

Little Red Riding Hood is off to visit her grandmother when she comes across an unexpected surprise. Read along as Little Red Riding Hood discovers the truth about her grandmother's condition.
