Proving that cats don't have the last word when it comes to making Christmas lists, author and artist Kandy Radzinski returns this holiday season with the canine companion book to last year's favorite, *What Cats Want for Christmas*. Using witty poems and winsome illustrations, *What Dogs Want for Christmas* lets our four-footed friends speak for themselves. And what does Man's Best Friend have on his holiday list? Ruffus, a dapper Scottie, would love "something with fur... that once went purr..." while the more practical basset hound Daisy complains, "My ears hang down to my feet. Can you fix them so they're short and neat?" Santa is going to need a bigger sleigh to fulfill some of these holiday wishes. After reading *What Dogs Want for Christmas*, canine

lovers of all ages will think twice before buying another chew toy.
