All you need is love? For the residents of swanky Mayfair Estates, a pre-nup is just another item on the wedding to-do checklist—but three friends get more than they bargained for when they promise to love, cherish . . . and sign on the dotted line.

Ellie married her handsome, wealthy Prince Charming when she was young, naive, and willing to sign a one-sided pre-nup in the name of true love. But seven years and one toddler later, her happily-ever-after has come screeching to a halt. If she can't save her marriage, she's determined to save her divorce.... When Jen married Eric, he knew she wasn't head over heels. Still, he insisted they were perfect together and even bankrolled her business. But when Jen's career takes off, she may lose the husband she loves more than she realized—and everything else she's worked for.... Up-and-coming attorney Mara is sure her fiancé has forgiven her for a foolish one-night fling—until he adds a "cheating clause" to the pre-nup she had demanded. If he really trusts her, why the clause? And if she's really trustworthy, why is she objecting?

As romance collides with real life, three very different women turn to each other for moral support and insights about how to safeguard their most valuable assets: their hearts.
