著者:Malouf, David

出版者:Melbourne University Press

出版时间:2008-12

装帧:

isbn:9780522855364

Australia's much loved author David Malouf presents a dazzling and illuminating personal essay on the power of imagination--and its effects on the life of a writer--in this first installment of a collectible new series. Beautifully packaged as a pocket-sized keepsake, this treasurable approach salvages a popular writer's inner philosophy from the disposability of journals and magazine columns for the sake of his fans and lovers of esoteric literature the world over.

作者介绍:

目录: 1. What is it, and how do we come by it?

2. Experience and history
