Written by leading American practitioners, the Oxford American Handbooks of Medicine each offer a pocket-sized overview of an entire specialty, featuring instant access to guidance on the conditions that are most likely to be encountered. Precise and prescriptive, the handbooks offer up-to-date advice on examination, investigations, common procedures, and in-patient care. These books will be invaluable resources for residents and students, as well as a useful reference for practitioners. Part of the most popular medical handbook series in the world, the Oxford American Handbook of Otolaryngology is a dependable manual geared for ultra-quick reference any time. It is comprehensive enough to serve as a mini-text, yet it is thin and light and uses concise, bulleted text, quick reference tabs, four-color presentation, and bookmark ribbons to help provide fast answers on the ward. Written by an acclaimed team of authors, this Handbook presents information in a succinct, comprehensive, and affordable volume in the proven format of the Oxford Handbook Series.
