Winter urges us to snuggle up with a good book, shutting out the cold and reconnecting with our impulse to nest. What a lovely idea, then, this collection is: The Winter Book celebrates the coldest season — from the late days of fall and Halloween to the earliest days of spring and Groundhog Day. Including prose from lauded

authors, songs like Mozart’ s “My Little Apple” and “We Three Kings of Orient Are,” and informational texts on international celebrations like Chinese New Year, Kwanzaa, Diwali, and Dia de los Reyes, this compendium reminds us of that magical season between autumn and spring.

关于冬天（从万圣节到情人节）的各种故事，也有些诗歌、歌和漫画，涉及的民族也还蛮多，比如黑人的宽扎节、犹太教光明节、中国春节等。可以作为圣诞节礼物备选，适合家里有4-10岁的小孩，主要几个故事都蛮长的。
