Jim Lane moved to Australia with his family as a child, and knows the ins and outs of living “down under.” Jim provides insight and first-hand advice on navigating the culture of Australia, and he outlines all the information needed to move abroad in a smart, organized, and straightforward manner. Moon Living Abroad in Australia makes the moving and transition process easy for businesspeople, students, teachers, retirees, and professionals.

Moon Living Abroad in Australia is packed with essential information and must-have details on setting up daily life including obtaining visas, arranging finances, gaining employment, choosing schools, and finding health care. This relocation guide also includes practical advice on how to rent or buy a home for a variety of needs and budgets, whether it’s an apartment in Sydney or a home across the continent in Perth. All Moon Living Abroad Guides include color photos, black and white photos, black and white illustrations, and maps.
