Visions in Poetry is an innovative and award-winning series of classic poems reinterpreted for today's readers by outstanding contemporary artists in distinctively beautiful editions. This is *My Letter to the World and Other Poems* by Emily Dickinson is brilliantly illustrated by Isabelle Arsenault. The artist's interpretation displays a rich understanding of Dickinson's poetry, which is known for its economy, unexpected imagery and hauntingly personal point of view. Arsenault has created a subtle meditation on Dickinson's life and its intersection with her verse. In the dream-like illustrations, the poet -- sometimes serene, often sad and always enigmatic -- is an omnipresent figure in her ghostly white dress. Dickinson's "letters," the words she left to the world, have found their ideal visual complement.
