Louis Barajas provides 4 simple steps that lead to success for people living a life of quiet desperation. "Overworked, Overwhelmed, and Underpaid" is about creating a

human experience through the coaching tools Louis Barajas uses with his clients. Perfect for people who are frustrated and struggling to express their full potential and live their highest purpose, this book takes readers through a four-step process to develop the self-confidence to not only build wealth but also live the life of their dreams.
