The biggest challenge to Graces self-imposed celibacy? Love. As a little girl, Grace Caldwell watched her father walk out on her mother as she struggled through the final stages of breast cancer. Grace, knowing the odds that she could suffer her mothers fate, resolves to never to let any man close enough to hurt her that way. Her new boss, Aaron Severn, isnt hard to figure outhis reputation with women is legendary. Shes confident it wont be hard for her to resist his charm. To her surprise, Aaron seems sensitive and caring, the kind of man who will be there for her, no matter what. Despite her vow of self-imposed celibacy, Grace finds herself allowing their friendship to grow deeper. When her worst nightmare becomes reality, Graces past fear rears its ugly head, driving her to push him away. But Aarons not the kind of man to give up on Graces loveor her lifewithout a fight
