No one knows eight-time world champion surfer Kelly Slater better than Kelly himself. In this revealing and heartfelt illustrated tribute, written with surfing veteran Phil Jarratt, the world's best surfer riffs on a life filled with big wins, big money, and big loves. Interviews with friends and fellow surfers unearth juicy anecdotes, and hundreds of photographs-some never before published-capture the greatest victories and the quietest moments in equal measure. This beautifully produced book marks the first time Slater's story has been told in full colour, and reflects the latest twists and turns in an incredible and unconventional life.
