Full of vibrant, stunning images that burst off the page, this fabulous collection showcases the very best entries from the annual Garden Photographer of the Year competition and include Hatley Park National Historic Site in Victoria, British Columbia, Canada; Kenrokuen Gardens in Kanazawa, Japan; Sequoia National Park in California; Paradise Garden in Moscow, Russia; and Kew Gardens in England. These intriguing images--all provided by amateur and professional photographers alike--include luscious plant portraits, tranquil garden views, and snapshots of majestic forests and landscapes. The beautiful, cutting-edge design and unique

photographs will both excite photographers and inspire gardeners.
