Despite official declarations, the war in Afghanistan is far from over; in fact, it's escalating. Seven years after 9/11, the Taliban continue to regroup, attack, and claim

influence over most of the region. This book presents a fresh, comprehensive analysis of Afghanistan's political history that begins at the roots of tribal leadership and ultimately emphasizes our present political moment and the impact of ongoing US military intervention. Paul Fitzgerald and Elizabeth Gould, a husband and wife team, first went to Afghanistan in 1981 and have reported for "CBS News," "Nightline," and "The MacNeil/Lehrer NewsHour." Their documentary "Between Three Worlds" was broadcast by PBS.
