"Nersesian's extravagantly imagined dystopia relies--as did those in Philip Roth's "Plot Against America "and Michael Chabon's "Yiddish Policemen's Union"--on an alternate, counterfactual history."--"The New York Times Book Review" "Combining sci-fi space/time-warping, Unabomber-style political ranting and an overall air of goose-bump paranoia, this is one turbo-charged trip. . . . A sharp, strange read: Imagine William Burroughs and Philip K. Dick sharing a needle."--"Kirkus Reviews" "Brilliant."--"Time Out New York" Arthur Nersesian's six previous novels (including "The Fuck-Up," MTV/Pocket Books, which has sold over 100,000 copies) have focused on the tragicomedy of fin de siecle New York City. Here, in his boldest novel to date, Nersesian has broken through into a new landscape that at once fuses the real with the surreal, the psychological with the psychedelic. He lives in New York City.
