The women of the Potluck Club have decided on a bold move. They're launching a catering business that's a lot like them: saucy, spicy, and well-seasoned. But will personal secrets cause the business to crumble before it gets off the ground?As the women focus on their new venture they will have to deal with a steamy past that threatens a marriage, the scalding truth about those they thought they knew, and the outrageous situations that come out of an unexpected--and revealing--trip back home. Readers will be delighted to see that the ladies of Summit View, Colorado, haven't left the kitchen--they've merely turned up the heat on their most delectable adventure to date.
