It's the early 1800s and the wondrous land of Australia is full of possibilities as settlers stake their claims. Hannah and John are settling some land in New South Wales and hoping to start a family. But their bright hopes for the future are clouded with trouble. As they try unsuccessfully to have a baby, Hannah suffers from guilt over her past. Now this haunts her and her relationship with John--she's never told her husband about this chapter of her life.

Full of the kind of emotional longings romance readers crave, "Longings of the Heart "is the heart-rending second book in the Sydney Cove series. Established and new Leon fans alike will finish this story wanting more.
