When a woman acts assertively, makes demands, and struggles for what she wants, she is labeled a bitch. The secret is to know when and how to turn on (or turn off) that "bitch switch." Not being able to locate your "switch" leaves you open to being a victim; not knowing how to turn it off will get you a label that is hard to shake. From Omarosa, reality star, global television personality, and the prime-time woman you love to hate, comes *The Bitch Switch*, the smart and biting honest must-read for every woman who aspires to succeed in relationships, in business, and at home.
