Forget super-hero studies, the next generation of mutants may have to train just to survive - and one won't pass the final exam. Their secrets revealed, their school betrayed, Generation X can only adjust to their losses by rescuing kids in worse straits than theirs. Now, they're teaching their enemies a lesson - but the House of Correction's Warden Coffin thinks he already has all the answers... and he wants Generation X, too. Collects Generation X #63-70.
