Praise for *Murder in the Rue de Paradis* and the Aimée Leduc series: “Once again, Black has crafted a superb tale informed by current political tensions, showing how

they play out in French society while suggesting larger implications. The plot itself is swift and assured, the language elegantly gritty, the characterization deft, and the end a truly satisfying surprise.” — Library Journal (starred review) “Riveting. . . . Aimée Leduc, smart, spirited and sassy, takes the reader on an action-packed ride fueled by the hidden secrets of her beloved Paris.” — Publishers Weekly “Leduc has a thorough grasp of the practicalities of investigation, plus a penchant for undercover work that will have readers on pins and needles.” — San Francisco Chronicle “Cara Black books are good companions. . . . Fine characters, good suspense, but, best of all, they are transcendently, seductively, irresistibly French. If you can’t go, these will do fine. Or, better yet, go and bring them with you.” — Alan Furst “Conveys vividly those layers of history that make the stones of Paris sing for so many of us.” — Chicago Tribune As Aimée is about to find happiness at last, Yves, her fiancé of a single night, is killed. Was the murderer a woman in a chador? Or a homosexual trick? Finding out who cut her lover’s throat involves Aimée in Kurdish and Turkish politics as she tries to track down his contacts above and beneath the streets of Paris.
