The latest edition of this bestselling text, *Strategies for Teaching Students with Learning and Behavior Problems* provides practical, immediately-useful strategies for teaching students, managing professional responsibilities, and collaborating with family and other educators. A practical guide for graduate and undergraduate students, this book uses current research on the best practices for providing instructional and support services to students with learning and behavior problems in a variety of settings. The seventh edition contains more applied teaching strategies than ever before, with an increased integration and emphasis on the topics of response to intervention and assessment, diversity and English language learners, and family involvement.
