With a proven-effective process approach that has made this book a continual best seller, *The Process of Legal Research*, Seventh Edition, offers comprehensive coverage in a format that is pedagogically rich, meaningfully organized, and surprisingly concise.

Written and organized to explain and show the process of Legal Research, *The Process of Legal Research*, Seventh Edition, includes:

- a thorough introduction to the process of Legal Research

- extensive illustrations and examples

- one continuous in-text example that illustrates how to research a complex problem

- a focus on best-research practices how to choose the most appropriate source and media for various types of inquiries

- integrated coverage of electronic research

- extensive, well-researched problem sets on a CD included with the book

With updated sources throughout, the Seventh Edition features:

- expanded coverage of non-Lexis/Westlaw on-line sources

- chapter-by-chapter templates for each type of research

- an updated and streamlined continuous research problem, with some explanatory material moved to sidebars

- enhanced discussion of the links between legal research and legal analysis

- a new author website that offers research tutorials

This long-time leader in the field shows no signs of slowing down. Examine your complimentary copy to find out why *The Process of Legal Research*, now in its Seventh Edition, leads the pack.
