An impoverished noblewoman, Gabrielle de Montserrat is only fifteen when she meets her first love, a commoner named Pierre-AndrA(c) Coffinhal. But her brother forbids their union, forcing her instead to marry an aging, wealthy cousin. Widowed and a mother before the age of twenty, Gabrielle arrives at the court of Louis XVI and Marie Antoinette in time to be swept up in the emerging turbulence and to encounter the man she never expected to see again. Determined and independent, she strives to find her own freedom as the Revolution takes an ever more violent turn.
