This is a guide for those landlords who have purchased rental income property and need the knowledge and skills to manage a problem tenant. This book will give details on how to initiate an eviction, and how to follow through with the court process. It will also outline methods to increase the odds of winning your case. Learn preventive methods and how to develop systems to document and conduct an eviction case. If you own or manage residential income property, this book will clarify and simplify your goals, coach you, and fortify your eviction case.
