In the path of a devastating hurricane, three very different women find themselves trapped in an elevator of a high-rise office building. All three are concealing shattering secrets, unaware that they all center on the same man. The betrayed wife, eager for confrontation, with rage in her heart and a gun in her pocket . . . The determined mistress, finally ready to tell her lover she wants marriage and a family . . . The fugitive cleaning woman, tormented by the darkest secret of all . . . As the storm rages closer, these three must unite to fight for their lives in the greatest test of courage -- and faith -- any woman could ever face.
