Few names in the automobile industry evoke as much glamour as Ferrari. From its inception as a motor racing team in the late 1920s to its position today as one of the world's leading car manufacturers, Ferrari has produced some of the most alluring and iconic machines ever to grace both the racetrack and the road. Ferrari Legends presents 40 of the most remarkable and significant Ferraris from the marque's history. Featuring an engaging study of the company's origins and development, concise descriptions of each car's background, design and performance, and unrivalled images by one of the world's foremost car photographers, this book is a spectacular celebration of the passion and brilliance behind this coveted marque.
