This Spanish edition features three books, three CDs, and a DVD. Learn how to play the guitar with this easy, illustrated guide. Covers everything from reading music and playing chords and scales, to performing our first song. The DVD has been exclusively

designed for people from both Latin America and Spain, and guides you through a beginner guitar lesson in a step-by-step manner. Award-winning educator Juancho Herrera supplements each lesson with expert demonstrations and a host of Latin American folk songs.
