Locked away in the world's rainforests are secrets of productivity that will revolutionize business. Working with limited topsoil, rainforests are the most productive and fruitful ecosystems in the world. How they transform scarcity into abundance is what every entrepreneur and businessperson needs to know. By taking a look at the rainforest with business eyes and an open mind, we discover that creation has been indelibly stamped with the wisdom of the Creator and contains transcending business principles that will take your organization to the next level including: ??????? How to define your vision and find your focus ??????? Developing a model for maximum efficiency ??????? Discovering the secrets for high-impact marketing ??????? And much more
