Around the world, an unusual message is popping up in unexpected places: "Look for the one I am sending you." At the heart of the mystery is Enoch. He first appears in the wide plains of Texas near a small town. As he begins to move west he encounters a number of people, each unique and many troubled. In each case, Enoch does something amazing for them and word spreads. Meanwhile, a former New Age psychic, now a cult leader, begins to incorporate the unexplained messages into her own sermons with one ultimate goal?????destroy Enoch before he can deliver a final message from God to the world.
