The culminating volume in The Saga of Seven Suns weaves together the myriad story lines in a spectacular grand finale. Galactic empires clash, elemental beings devastate whole planetary systems, and the factions of humanity are pitted against one another. Heroes rise and enemies make their last stands in the climax of an epic tale eight years in the making. The Saga of Seven Suns is one of the most colorful and spectacular science fiction epics of the past decade. Acclaim for The Saga of Seven Suns: a oeAnderson weaves action, romance, and science with a rousing plot reflecting the classic SF of Clarke and Herbert and the glossy cinematic influence of Lucas and Spielberg.a " Publishers Weekly, starred reviewa oeKevin Anderson has created a fully independent and richly conceived venue for his personal brand of space opera, a venue that nonetheless raises fruitful resonances with Frank Herbert's classic Dune series.a " scifi.coma oeEverything about Andersona (TM)s latest is BIG a " the war, the history, the aliens. These are elemental forces battling here, folks. Yet the characters are always the heart of the story, and their defeats and triumphs give perspective to it all.a a " Starloga oeA soaring epic . . . a space opera to rival the best the field has ever seen.a a " Science Fiction Chroniclea oeColorful stuff . . . bursting with incidents, concepts, and a massive cast of characters, matching well-thought-out SF ideas with melodrama and interfamily strife.a a " SFX
