Surveying more than 250 restaurants, this insider's guide covers dining spots that suit any mood, budget, occasion, or location within Phoenix, Scottsdale, and the surrounding Valley. The user-friendly resource is designed to be as easy to use by those who are searching for a restaurant by name as those who have a type of cuisine or geographic location in mind. The first section contains an alphabetical listing of more than 250 Valley restaurants that details each restaurant's cuisine, ambiance, distinctive characteristics, and special offerings. Vital statistics - such as the region, address, phone number, website, meals served and price range, days closed, and whether or not reservations are needed - are clearly noted along with the signature insider's tips that identify what makes the place a personal favorite. For those craving a great Asian meal or wanting to cozy up to a fireplace, those looking for a place close by or one that's a bit of a drive, the second part of the book presents a plethora of easy-to-navigate indexed lists organized according to location, cuisine, and features. This new edition also includes a special listing of the hottest restaurants in Sedona and Tucson.
