Hop into bed, Turn over thrice, And whisper this softly: Night's nice, night's nice, night's nice. Good Night. NIGHT'S NICE will lull little ones to sleep with its soothing, sing-song text and picturesque, stunning nightscapes throughout. From moonlit treetops and city streetlamps to luminous fireworks on the 4th of July, Ed's watercolor illustrations poignantly capture the beauty of nighttime in this reissue of his classic children's story.
