Giant Hive-monsters! Mystical Fish-Beasts! Talking rocks! This second installment of "The World of Quest" has a little bit of everything! As Quest comes to grips with having to care for a spoiled princeling they make their way into the deadly "Forest of Edj" to speak to the Rocks--oldest, wisest and most boring of beings in all of Odyssia to find out the whereabouts of "The Dagger of the Way" before the forces of evil do only to get separated. While Quest is pursued by an angry mob of Snarls, Nestor meets up with the wily, thieving griffin, Graer, who may have his own agenda. In the end, our heroes will find out secrets about themselves as well as the Dagger and meet up with a mysterious new being who may hold the secret to ultimate power!
