Everyone loves a big bear hug,

Soft and cozy, warm and snug...

In this cute and cuddly novelty picture book, kids will learn all about caring for their favorite stuffed animals. The playful text ask readers to consider what they like best about their furry friends, and reveals just what bears like to do in their free time. Featuring a huggable padded cover and a peek-a-boo mirror inside, this adorable book is destined to become as treasured as a child's favorite bear!
