"Warman's Buttons Field Guide" is packed full of clear, colour photos for ease of identification of about 900 collectible, antique and vintage buttons. It includes prices, descriptions and brief, fun, to-the-point history lessons, introductions and insights. This book will help people at all collecting levels identify, clean and enjoy their family heirlooms leftover from a time when every button was precious and useful for

replacing lost ones on clothing. Buttons are wonderful little works of art that come in all sizes, shapes, descriptions and values.
