The student tested-and-reviewed way to prep for the medicine shelf exam and the USMLE Step 2 CK "I thought it was a fantastic review. The questions covered a wide variety of important key areas in medicine without going into more esoteric topics. I felt the answers were discussed very thoroughly as well, and incorporated a lot of current information." -- Reza Samad, Medical School, SUNY Upstate Medical University "The answers were of consistently high quality ...and present necessary concepts in a concise manner that hopefully will reinforce an existing fund of knowledge." -- Edward Gould, Medical Student, SUNY Upstate Medical University Medicine: PreTest Self-Assessment & Review is the perfect way to assess your knowledge of medicine for the USMLE Step 2 CK and shelf exams. You'll find 500 USMLE-style questions and answers that address the clerkship's core competencies along with detailed explanations of both correct and incorrect answers. All questions have been reviewed by students who recently passed the boards and completed their clerkship to ensure they match the style and difficulty level of the exam. 500 USMLE-style questions and answers Detailed explanations for right and wrong answers Targets what you really need to know for exam success Student tested and reviewed Medicine: PreTest Self-Assessment & Review is the closest you can get to seeing the test before you take it. Great for clerkship and the USMLE Step 2 CK! Medicine: PreTest asks the right questions so you'll know the right answers. Open it and start learning what's on the test.
