For the first time ever, Berlitz Digital has joined up with the acclaimed Berlitz World Traveller CD-ROM to offer you a brand new interactive course. By combining the Berlitz Guaranteed audio course with the interactive games and activities, previously only available on World-class international airlines, you can practise your skills and have

fun! The course comprises of five audio CDs and a CD-ROM, plus there are free additional materials available online. It is also compatible with iPods and MP3 devices so you can continue practising your skills on the move!
