The perfect companions for a trip abroad, these user-friendly, color-coded guides offer

assistance in conversing in a variety of travel-related situations. They feature up-to-date language on technology, special needs, business and more, as well as an emphasis on conversational usage. A clean layout, contemporary four-color photos, and a dictionary full of essential terms make this series more ideal than ever before for any traveler. These phrase books are the “next generation” in phrase books and are the unparalleled leader in their category. From Berlitz – the leaders in language learning.
