Big, colorful illustrations and minimal text set the stage for a delightful cast of

characters as they go about their day-to-day adventures in one little town throughout the year. Playing, chasing pets, running errands, going to work: following what happens and looking for the many small surprises in the pictures will absorb and amuse children and parents alike.

超级好看,儿子超级爱看,简直要翻烂。有纪念意义的是,这书是从哈佛边的那家老书店买的,进门第一眼就看中了它。
