For more than three decades, Ed Koch has been one of America's most interesting and outspoken political figures. In this provocative new book, Koch with Rafael Medoff guides readers through the major battles in his life-long fight against anti-Semitism. Interviews, speeches, new essays, never-before published personal correspondence, and more highlight his leadership--on campuses, in the media, on the streets of New York City, and in the halls of power in Washington, DC. The book also features personal letters from Henry Louis Gates, former President George Bush, and other prominent figures. Koch will reveal startling information for the first time here, and his writings are controversial, piercing, teasing, and questioning. This book will ignite discussion for years to come
