Familiar activities and novel experiences are showcased in these photographic concept books for curious toddlers. Each page spread is packed with first words,

counting activities, colors to recognize, and things to spot. Concepts and objects are introduced with tactile elements such as wool, fur, rubber, foil, flock, and a sticky effect that will delight young readers. Birthday celebrations, vacations, shopping trips, and household tasks are given a pint-sized perspective that is sure to please. Suitcases, airplanes, car trips, tents, and ice cream are some of the wonderful summer vacation surprises that will delight children in the pages of this book.
