Overview:

A reissue of a classic compendium of facts and fun from the 1930s, The Wonder Book of Would You Believe It? is guaranteed to evoke fond memories of a bygone age. Covering everything from history and science to astronomy and nature there's plenty to marvel at: the fascination of insects' eyes, the largest plants on earth, tales of dinosaurs and denizens of the unexplored deep and much, much more! Each article is written in the gloriously rich 1930s style, making this a truly heart-warming blast from the past.
