Filter House collects fourteen stories by Nisi Shawl, with an introduction by Eileen Gunn (author of Stable Strategies). The collection offers a haunting montage that works its magic subtly on the reader's subconscious. As Karen Joy Fowler, Author of The Jane Austen Book Club says, "This lovely collection will take you, like a magic carpet, to some strange and wonderful places."

The eminent novelist and critic Ursula K. Le Guin writes: "From the exotic, baroque complexities of 'At the Huts of Ajala' to the stark, folktale purity of 'The Beads of Ku,' these fourteen superbly written stories will weave around you a ring of dark, dark magic."

Matt Ruff, author of Set This House In Order and Bad Monkeys calls Filter House "A traveling story-bazaar, offering treasures and curios from diverse lands of wonder."

Tobias Buckell, author of Crystal Rain and Ragamuffin , says "Nisi Shawl uses the tools of future and fable, usually used to explore the other, the future, and the mysterious, to magically reveal what and who we all are here and today."

Karen Joy Fowler declares, "Sometimes enigmatic, often surprising, always marvelous. This lovely collection will take you, like a magic carpet, to some strange and wonderful places."

And Eileen Gunn, author of Stable Strategies , concurs that these are "Remarkably involving stories that pull you along a path of wonder, word by word, in worlds where everything is a bit different."
