The plays in this theater book give teenage performers the chance to reveal the unique identities and motivations of students their own age. These brief plays may be used for speech and drama classrooms, forensic competitions or variety shows. They are easily staged with no sets or costumes. Topics include: how to be popular, jealousy, shoplifting, pranks and more. Included are scripts for girls only, scripts for boys only and scripts for mixed casts. The dialog in all the plays is believable and easy to perform.
