Aimed at 10-14 year olds, inspirational pictures and clear step-by-step photographs teach youngsters all about the wonderful world of textiles. Learn how to applique. It's fun and easy to do! Choose some funky fabrics and start making cushions, bags, brooches and even a beady bird. Applique is the art of attaching fabric decorations to fabric, and Nancy Nicholson shows how a few simple techniques can be used to create bright and beautiful projects including brooches, decorations for your skirt or jeans hem, a picture, bird decorations, cushions, a pocket for your mobile phone and a funky felt bag. Nancy's fabulous design skills and teaching experience make this book a wonderful way to start to applique. This book contains: easy to follow instructions; simple techniques; and, lots of creative ideas.
